

# Important Safety Notice for Retailers

**SUBJECT: DEWALT Model DWS779, DWS780 and DHS790 Miter Saws (see below)**

In cooperation with the U.S. Consumer Product Safety Commission, The DEWALT Industrial Tool Company is recalling the following products to address a rear guard assembly that can break or detach, posing an injury hazard to the user.

## **The following models are affected:**

This recall involves DEWALT Model DWS779, DWS780 and DHS790 (designated DHS790AB or DHS790AT2 on the carton) Miter Saws. The saws have a yellow body with black accents and the DEWALT logo. The model number is printed on the saw's nameplate. Only saws with date codes 2019 04 through 2022 04 are affected. For the DWS779 and DWS780 models the date codes are marked on the black plastic motor end cap adjacent to the name plate. For the DHS790 model, the date code is marked on the outside of the plastic yellow housing adjacent to the batteries. If the saw does not have a date code or you cannot locate it, please contact us.

To the extent you have not already done so, please stop sale of these products immediately, and contact DEWALT for instructions on returning them. Products currently shipping (date codes 2022-05 and later) are not affected.

Enclosed please find a retail poster which should be made available to your consumers at point-of-sale. These posters should be displayed in a conspicuous location in your stores, such as at the entrance, exit, or department where sold, for 120 days. The U.S. Consumer Product Safety Commission may be monitoring the display of the posters.

Should you have any questions regarding this program, or the display of the posters, please contact your local DEWALT representative or call this toll free number: **800-990-6421**.

If your customers have questions, please ask them to call toll free **800-990-6421**, between 8 a.m. and 6 p.m., Eastern Time, Monday through Friday, or online at <https://www.dewalt.com/miter-saw-recall> for information about a free repair kit.

Finally, also enclosed is a Safety Recall Notice for end-user customers. We ask that you please send this notice to any customers for whom you have contact information, and confirm to your DEWALT representative that you have done so.

We regret any inconvenience this situation may cause and thank you for your cooperation and continued support.
